Check All That Apply:

- The work to be performed by the additional classification(s) is not performed by a classification in the applicable wage decision.
- The proposed classification is utilized in the area by the construction industry.
- The proposed wage rate(s), including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage decision.
- The interested parties, including the employees or their authorized representatives, agree on the classification(s) and wage rate(s).
- Supporting documentation attached, including applicable wage decision.

Check One:

- Approved, meets all criteria. DOL confirmation requested.
- One or more classifications fail to meet all criteria as explained in agency referral. DOL decision requested.
